

Weekly Learning and Revision Planning. Each block is 1 hour of focused revision on a topic or topics. Set 6 targets for EACH DAY of focused revision using exam questions and other strategies to help you focus and work through the targeted topic. Try to ensure that each subject gets similar time. This is to be repeated each week. Some Blocks will be free as you are taking some time off.

| Monday | Tuesday | Wednesday | Thursday | Friday |
|---|---------|-----------|----------|--------|
| Planning time to set targets. Be Specific for each block- What will you do? Exam Questions, summaries, Notes, one page summary, fishbone, cluster map, time line, Diagram practice, flow charts, key word cards etc | | | | |
